

## FAASafety Team Safety Stand Down - Loss of Control

This year's FAASafety Team Safety Stand Down focuses on four accidents with outcomes similar to those that account for the majority of general aviation fatal accidents.

Note this event starts at the conclusion of EAA Chapter 180's regular meeting.

**Directions:** From US 41, first traffic light north of University Pky. Go East on Gen. Spaatz Blvd. Make first left, cross Bradenton Bypass. Building is single story metal building down and to the right.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
